

**Administrative Record Index
for the
WHITEHOUSE OIL PITS NPL Site
(Explanation of Significant Differences)**

5.0 RECORD OF DECISION (ROD)**5.9 Record of Decision (ROD)**

- 1 . Letter from David B. Struhs, Florida Department of Environmental Protection, to John Hankinson, Jr., EPA Region IV. Concerning concurrence with selected remedy as provided in the Amended Record of Decision. (November 19, 1999)
- 2 . "Whitehouse Waste Oil Pits Site Fact Sheet, Jacksonville, Duval County, Florida," EPA Region IV. (March 2001)
- 3 . "Superfund Fact Sheet, Whitehouse Waste Oil Pits, Explanation of Significant Differences," EPA Region IV. (July 2001)
- 4 . Memorandum from Mark J. Fite, EPA Region IV to Richard D. Green, EPA Region IV. Concerning request for concurrence for Explanation of Significant Differences. (July 10, 2001)

6.0 REMEDIAL DESIGN (RD)**6.4 Work Plans and Progress Reports**

- 1 . Memorandum from Edward R. Bates, EPA National Risk Management Research Laboratory, Cincinnati, Ohio to Mark Fite, EPA Region IV. Concerning technical review comments on "Draft Work Plan for Treatability Studies". (October 22, 1999)

6.5 Cost Reports and Invoices

- 1 . "Excavation of Contaminated Sediment/Backfilling/Wetland Restoration," CDM Federal Programs Corporation. Concerning preliminary cost estimates for excavation of contaminated sediment, erosion control measures, temporary access roads, excavation berm installation and dewatering and drainage. (April 19, 2001)

6.8 Remedial Design Documents

- 1 . Letter from Timothy Turner, CDM Federal Programs Corporation to Mark Fite, EPA Region IV. Transmittal of "Technical Memorandum, Ground Water Modeling Objectives, Proposed Initial Model Parameters, and Conceptual Model". (October 26, 1999)
- 2 . Letter from Timothy R. Turner, CDM Federal Programs Corporation to Mark Fite, EPA Region IV. Transmittal of Draft-Summary of Ecological Investigations. (October 27, 1999)
- 3 . Letter from Timothy Turner, CDM Federal Programs Corporation to Mark Fite, EPA Region IV. Concerning proposed alignment of the subsurface barrier. (November 03, 1999)
- 4 . Memorandum from Edward R. Bates, EPA National Risk Management Research Laboratory, Cincinnati, Ohio to Mark Fite, EPA Region IV. Transmitting comments on "Preliminary Design Report". (February 14, 2000)
- 5 . Letter from Timothy R. Turner, CDM Federal Programs Corporation to Mark Fite, EPA Region IV. Transmittal of "Draft Report-Hydrogeology, Contaminant Movement and Natural Attenuation of Manganese in Groundwater". (March 08, 2000)
- 6 . Letter from Mark J. Fite, EPA Region IV to Tim Turner, CDM Federal Programs Corporation. Transmitting EPA's comments on the Preliminary Design Report. (March 10, 2000)
- 7 . Letter from Mark J. Fite, EPA Region IV to Tim Turner, CDM Federal Programs Corporation. Transmitting Florida Department of Environmental Protection (FDEP) and National Oceanic and Atmospheric Administration (NOAA) comments on Preliminary Design Report. (March 16, 2000)

[Final]

**Administrative Record Index
for the
WHITEHOUSE OIL PITS NPL Site
(Explanation of Significant Differences)**

6.0 REMEDIAL DESIGN (RD)**6.8 Remedial Design Documents**

- 8 . Fax from Bill Neimes, FDEP Technical Review Section to Marvin Collins, FDEP. Transmitting comments on draft groundwater model. (March 22, 2000)
- 9 . "Draft - Whitehouse Waste Oil Pits Site, Appendix G - Construction Quality Assurance Manual," CDM Federal Programs Corporation. (September 2000)
- 10 . "Draft - Whitehouse Waste Oil Pits, Appendix H - Operations and Maintenance Plan," CDM Federal Programs Corporation. (September 2000)
- 11 . Letter from Mark J. Fite, EPA Region IV to Tim Turner, CDM Federal Programs Corporation. Transmittal of EPA's comments on Intermediate Design Report. (September 08, 2000)
- 12 . "Final Design Report, Whitehouse Waste Oil Pits Site, Jacksonville, Florida, " CDM Federal Programs Corporation [Note: Portions of this document are confidential and have been withheld. Confidential portions are available for judicial review only]. (September 22, 2000)
- 13 . "Final Design Report, Whitehouse Waste Oil Pits Site, Jacksonville, Florida, Appendices A-M," CDM Federal Programs Corporation. (September 22, 2000)
- 14 . "Final Design Report, Whitehouse Waste Oil Pits Site, Jacksonville, Florida, Appendix J," CDM Federal Programs Corporation. (September 22, 2000)
- 15 . Letter from Mark J. Fite, EPA Region IV to Tim Turner, CDM Federal Programs Corporation. Concerning approval of Final Design Report and remaining comments. (September 28, 2000)
- 16 . "Whitehouse Waste Oil Pits Site, Remedial Design, Jacksonville, Florida - Final Documents, Contract Forms and Specifications for Bidding Purposes Only, Appendix K," CDM Federal Programs Corporation. (October 2000)
- 17 . "Whitehouse Waste Oil Pits Site, Treatability Study Report," CDM Federal Programs Corporation. (October 2000)
- 18 . Whitehouse Waste Oil Pits Remedial Design Drawings, CDM Federal Programs Corporation. (October 2000) [Note: These copies have been reduced as originals are larger than 11x17. Drawings can also be viewed on CD-ROM in PDF format].
- 19 . Letter from Tim Turner, CDM Federal Programs Corporation to Mark Fite, EPA Region IV. Transmittal of responses to comments on Intermediate Design Report. (October 09, 2000)

13.0 COMMUNITY RELATIONS**13.9 Fact Sheets**

- 1 . Cross Reference: "Whitehouse Waste Oil Pits Site Fact Sheet, Jacksonville, Duval County, Florida," EPA Region IV. (March 2001) [Filed and cited in Entry Number 2 of 5.9 RECORD OF DECISION (ROD) - Record of Decision (ROD)]
- 2 . Cross Reference: "Superfund Fact Sheet, Whitehouse Waste Oil Pits, Explanation of Significant Differences," EPA Region IV. (July 2001) [Filed and cited in Entry Number 3 of 5.9 RECORD OF DECISION (ROD) - Record of Decision (ROD)]
